N.B.—This calendar runs from Sunday-Saturday and includes all dates, not just school days. Please remember that our school weeks are four days long; no classes meet on Fridays, so don't forget to take Fridays into account when planning travel and time off! For example, although the calendar says that your two-week Christmas break starts on Sunday, 12/24, you'd actually be off beginning on either Thursday, 12/21 or Friday, 12/22, depending on your student's schedule; they're not actually class right up to Christmas Eve!

If you have any questions about the calendar, please contact Dr. Norwood at 423-310-1478 or dr.c.a.norwood@gmail.com.
